

A stunning dawn at Boschhoek Mountain Estate, mirroring our beautiful country...

Hidden away in the Waterberg an hour and a half north of Pretoria and two hours north of Johannesburg lies 1500 hectares of valleys and views, plains and streams, boasting Nature's best...

In this magical bush a select few are fortunate enough to live a new life, whether full time or for a regular getaway.

With no minimum size and the freedom to create your dream bush home, Boschhoek makes it possible.

Levies of only R1595 per month, ten years to start building and minimal holding costs welcome you at Boschhoek.

Off the grid, free from load shedding and self-sustaining, maintenance by our home owners' association and estate manager allows us to manage and control our beautiful estate,

whilst excellent wifi allows us to reach out to the world.

See [here](#) for an exquisite two minute flyover and [here](#) for an article in SA's premier *Estate Living* magazine.

Those who prefer to share with fellow bush lovers could also consider one of the last two

shares in our [Berg&Bosch shared lodge](#) at R350 000.

All credit to the Boschhoekers for your amazing pictures of life&Boschhoek!

The new dawn heralds a new life. With only a handful 1 to 2 hectare full title bush properties remaining from as little as R999 000, it may be time for you to heed the call – the call of Nature, the extraordinary privilege to call Boschhoek home.

Come and visit us! Our next viewing weekend is 29 and 30 June. Let us take you out on our game vehicle and experience first hand what Boschhoek has to offer. Kindly call to arrange - time slots are allocated on a first come basis. Combine it with your own streamside picnic, or enjoy a lovely light meal at [Leeuwenhof Country Lodge and Garden Spa](#) next door.

We look forward to meeting you!
